

# N.A.T.U.R.E

Nurturing American Tribal Undergraduate Research & Education

*Celebrating 25 Years!*

## University Summer Camp June 3-14, 2024 at NDSU & UND

The NATURE University Summer Camp is a 2-week camp for ND TCU students 18+ years old interested in science, technology, engineering, & mathematics (STEM).

### Hands-on STEM Activities & Research

Work in STEM labs & meet researchers at North Dakota State University (NDSU) & the University of North Dakota (UND). Learn about culturally relevant research with hands-on activities!

### Research Presentations in Action

Learn about research & presentations from students from your communities!

### STEM Pathway

Learn about STEM pathways from graduate students as you experience a walk in their shoes.

### Experience Campus Life

Fun activities on campuses in Fargo & Grand Forks!

Scan code to learn more & register!
