

ND NASA EPSCoR: FY 2017 & 2018 NASA Cooperative Agreement Notice (CAN)

Deadlines: Pre-proposal 1-9-17; Notice of Intent 2-13-17; Proposal 3-16-17

Issued: 12/15/2016

In response to the [FY 2017 & FY 2018 Cooperative Agreement Notice \(CAN\) solicitation](#), the North Dakota NASA Experimental Program to Stimulate Competitive Research (EPSCoR) is soliciting research proposals from faculty at [Affiliate Institutions](#) specifically designed to promote and expand NASA research in North Dakota. Two proposals will be selected by ND NASA EPSCoR for full submission for the CAN. Following preliminary proposal selection by ND NASA EPSCoR, each PI will be asked to submit an NOI before February 13, 2017 and a full proposal by March 16, 2017.

Pre-proposal guidance can be found [here](#).

Pre-proposal Submission

Submit completed pre-proposals as email attachments to both ND NASA EPSCoR Director and Deputy Director by **COB January 9, 2017**:

Jim Casler, Director

(701) 777-3462

casler@space.edu

Caitlin Nolby, Deputy Director

(701) 777-4856
