

# Congratulations to the following individuals at North Dakota State University and the University of North Dakota!

These individuals have either received an ND EPSCoR-funded award and/or have been involved in an ND EPSCoR program during the current NSF EPSCoR Track-1 grant.

## Promoted to Full Professor at North Dakota State University

**Edward DeKeyser**, School of Natural Resource Sciences

- Advisor to an ND EPSCoR a Graduate Student Research Award (GSRA) awardee

**Anne Denton**, Computer Science

- Researcher in the ND EPSCoR Center for Regional Climate Studies (CRCS)
- Research Lab tour provider for ND EPSCoR's NATURE University Summer Camp

**Donald Warne**, Public Health

- Guest speaker at ND EPSCoR's 2015 NATURE University Summer Camp

## Promoted to Associate Professor at North Dakota State University

**Julia Bowsher**, Biological Sciences; *granted Tenure*

- Lesson plan instructor in ND EPSCoR's NATURE Sunday Academy program

**John Wilkinson**, Chemistry and Biochemistry; *granted Tenure*

- Recipient of an ND EPSCoR New Faculty Start-Up Award

## NDSU Foundation and Alumni Association Grant Recipients

### *Centennial Endowment*

**Na Gong**, Electrical and Computer Engineering

- Recipient of an ND EPSCoR New Faculty Start-Up Award

**Ying Huang**, Civil and Environmental Engineering

- Recipient of an ND EPSCoR WISE/LEAP award

### *Engebretson Family Research Fund and the Gordon A. Larson Agricultural Research Endowment*

**Mohiuddin Quadir**, Coatings and Polymeric Materials

- Researcher in the ND EPSCoR Center for Sustainable Materials Science (CSMS)
- Research/Lab Mentor for ND EPSCoR's NATURE University Summer Camp

## Promoted to Professor at the University of North Dakota

**Naima Kaabouch**, Electrical Engineering

- Advisor to an ND EPSCoR Advanced Undergraduate Research Award (AURA) awardee

**Jianglong Zhang**, Atmospheric Science

- Researcher in the ND EPSCoR Center for Regional Climate Studies (CRCS)

## Promoted to Associate Professor at the University of North Dakota

**Brian Darby**, Biology; *granted Tenure*

- Advisor to an ND EPSCoR Advanced Undergraduate Research Award (AURA) awardee
- Advisor to an ND EPSCoR Doctoral Dissertation Assistantship (DDA) awardee
- Recipient of an ND EPSCoR Research Infrastructure Improvement Seed Grant Award

**Travis Desell**, Computer Science; *granted Tenure*

- Assists with the ND EPSCoR Cyberinfrastructure initiative

**Susan Ellis-Felege**, Biology; *granted Tenure*

- Assists with the ND EPSCoR Remote Sensing program

**Daba Gedafa**, Civil Engineering; *granted Tenure*

- Recipient of an ND EPSCoR Research Infrastructure Improvement Seed Grant Award
